May 9 - 6 - 10

My dear Sir,

I told the Dewan
Lahel that you had kindly
promised to have paper laid and
water supplied to all places
where guests are to be accommo-
dated and that you had assured
me that the work would be
completed before the 13th inst.

I am directed to request you
to be so good as to have the work
taken in hand immediately
especially as regards places

where, as in Dec. 1894,
(the kind Wellington Lodge)
new pipes have to be laid.

If it is intended to lodge our
Coorg guests there, and would
be a very serious omission if
they are not given a good supply
of water.

I enclose a list of
places to which water will
have to be supplied.

Yours sincerely,
Sd/- K. Rama Rao
